

SPRINT Coatings Ltd, Ireland's newest force in Coatings, was formed after the merger of 2 well established powder coating companies, Goodbody Colour Coating Ltd and Coating & Fabrications Ltd.

Sprint Coatings formed an alliance with one of Ireland's leading Galvanisers - Silverwood Enterprises Ltd – to offer this new Service for 2009.

Together we have over 50 years coatings experience, built behind the principle of superior service.

We Galvanise steel – Structural and fabrications

We are the leading powder coaters of the following:

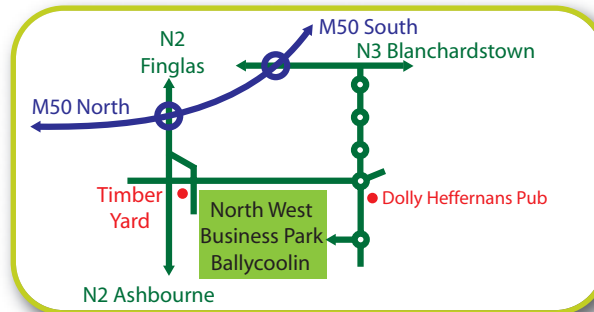

- galvanised steel fabrications
- steel fabrications
- architectural aluminium extrusions, sheets or presswork

We are always available to offer technical support and advice on coating issues no matter how small.

- NO MORE DELAYS – NO MORE WAITING AROUND
- DROP YOUR ITEMS AT OUR NEW DEPOT & COLLECT JUST 3 DAYS LATER.....
